	*Organization did not send the official notice materials, but instead sent a detailed letter explaining the Settlement and providing necessary information to class members.			
	•Did not send official notice materials, and sent to member organizations, not individual rightsholders.			
	✦ Organization listed one email address for multiple recipients.			
	■ Groups listed as International have mailings that went to multiple countries but for which a country breakdown was not available.			
	❖ Sent newsletter with article about the Settlement to all members.			
	♦ Organization sent Settlement website link to members.
